The election to be held on Thursday, August 7th, 1873.

Vote for the Amendments and you vote for repudiation.

The Constitution is good enough as it is. What is the use of changing it?

Each of the eight ballot-boxes will be labelled with the title of the proposed amendments to the Constitution, and the tickets will read, "For Amendment," and "Against Amendment."

Remember that an *enumeration* is not a *census*, and that if we do not have an enumeration of the people in 1875 the present unjust Senatorial apportionment will continue until 1882, if not longer.

Instructions:

As the method of voting on the Constitutional Amendments is not thoroughly understood by the people, we publish the following, that there be no mistakes.

There must be eight boxes at each voting place, beside those for township officers, on each of which must be labeled the amendment to be voted upon. In this county the labels will be printed in large, plain type, that there be no mistakes.

The following is the form of each label:

Amendment to the Constitution of North Carolina in relation to the Public Debt.

Amendment to the Constitution of North Carolina in relation to the office of Superintendent of Public Works.

Amendment to the Constitution of North Carolina in relation to the State Census.

Amendment to the Constitution of North Carolina in relation to exemption from taxation.

Amendment to the Constitution of North Carolina in relation to the University.

Amendment to the Constitution of North Carolina in relation to the sessions of the General Assembly.

Amendment to the Constitution of North Carolina in relation to the Code Commissioners.

Amendment to the Constitution of North Carolina in relation to Federal and other officers holding office.

The ballots may be written or printed, and need contain but the words "For Amendment," or "Against Amendment." In this county the tickets against the amendments are printed in slips of eight, so that each voter can tear them apart for each box as he votes. All persons opposed to the amendments should vote "Against Amendments."

The polls must be kept open from 8 A. M. to 7 P. M., and all qualified voters are entitled to vote, provided they are regularly registered. No one can register on the day of election, unless he arrives at the age of 21 on that day, and all voters should see that their names are on the registration books.

EDITORIAL BUDGET.

— Don Carlos has entered Biscay.

— The Spanish frigate Villa Madrid, at Cadiz, joined the insurgents and opened fire upon the arsenal.

— Foreign property in Almeria is in great danger, and foreign residents will appeal to their respective Governments for protection.

— One hundred deputies to the French Assembly huve sent to the Pope an address, assuring him of their continued devotion to his Holiness.

— A dispatch has been received at Madrid, by the Minister of War, announcing that the insurrection in Seville has been suppressed, and that the city is now occupied by Government troops. The fires which were started by the insurgents were extinguished.

— Vice President Wilson is much better than he has boen at any time since his illness, and is steadily improving. No operation whatever is or has been contemplated, as reported in a special from Washington.

— The railroad from Marshall to Dallas, Texas, was completed Wednesday. Though trains will be soon put on from Shreveport to Dallas, a distance of one hundred and ninety miles. Shreveport gave a barbecue on the event.

— The revolutionary junta at Grenada has issued a decree directing the seizure of the property belonging to the State, including churches, convents, and bell foundries, the latter in order to obtain metal to coin into currency. The insurgent junta at Seville has also issued a decree ordering the reduction of fifty per cent. in leases and rents of the general community, and a similar reduction in the necessaries of life, closing the factories, and making a division among the people of uncultivated lands.

— At the session of the Kansas State Grange resolutions were passed deprecating the prominence given to horse racing at State fairs and calling upon the farmers to more liberally snpport fairs, so that there might be no occasion for depending on racing as a means of making money. Resolutions were adopted on the transportation question, the most important of which was one demanding that either farming property be taxed as railroad property is, upon the basis of its income, or railroad property as well as farming property to be taxed on the basis of value independent of income. A resolution was also passed expressing sympathy with settlers on the Osage ceded lands.

— On Thusday afternoon, a fire broke out in the building of the National Dock and Warehouse Company, in Lewis street, East Boston, which was entirely consumed with its contents. It was a large brick building, 250 feet long by 50 feet wide, and used entirely for storage purposes, and was also a bonded warehouse. The second story and attic was filled with consignments of jute, hemp, and gunny cloth, and gunny bags. The ground floor and basement was also filled with a large amount of sugar and saltpetre. The property was owned there and in New York. The building owned by the National Dock and Warehouse Company was valued at $75,000 and was fully insured. It is estimated that there was $400,000 worth of property stored in the building. The loss will be $300,000. The insurance can not be obtained. The fire was undoubtedly caused by spontaneous combustion.

Washington Chronicled Sea Side Sprays.

"I am a sea queen, so merry and gay;
I dance with the ocean and laugh with the spray."

Baltimorean society centres at the Grand Union, Saratoga.

Buttermilk punch is dispensed at Long Branch among the social cream.

Saratoga has already finished the pile of greenbacks which many families had laid by.

There are to be superior sacred concerts on the Congress lawn on Sundays at Cape May.

Blindfolding the negroes and getting them to roll barrels on the lawn is fun for Cape May guests.

The annual full dress children's presentation ball is to take place on Thursday evening at the Stockton Hotel, Cape May. There are to be fancy dances at discretion, and medals *ad libitum*.

At a recent hop at Ballston Spa, a sagacious reporter discovered, "by careful examination, that the French freak in silk stockings meets with favor." This may be considered "active journalism."

The Annapolis middies, on their annual summer curise in the ship Constellation, have arrived at Newport, and are engaged in active flirtations with the Newport girls, who have a proverbial weakness for the navy blue and gilt.

A Newport correspondent says: "The season here is at its height, and I am informed by the proprietors of the Ocean and Atlantic houses that it will be superior to any in past years, socially and financially, the latter making the merchants and traders feel happy as well as the hotel and boarding house keepers.

A Long Branch gossip reports the following conversation:

"What do you think of the grand hop?"

"It is bad for the women."

"How so?"

"It teaches them to like gentlemen's society. Why, I cannot tell a married lady from a single one; they all act alike and look just as gay. Now in Japan married ladies blacken their teeth and pull out their eyebrows."

"What do they make such figures of themselves for?"

"So that no gentleman but their husband will care for them?"

"Well, we are not so civilized as that; we like to see married women look just as well as single women. But tell me, Sibita, what it is you have to say about the gentleman tourist at the Branch?"

"Well, I will begin with the single gentlemen and their wives. You know that all the landlords have vowed not to give shelter to any woman that has strayed away from home. This is a fact; so it has become fashionable to have an adopted brother or an uncle, and in some cases a father. Certainly excellent protection for Mary, Ida and Fannie. Nobody has their feelings hurt, and the ladies are very good, and very pleasant, ignorant of evil and very fond of brother, and assist the chambermaid in keeping their rooms in order: And so these affectionate relations go into each other's rooms. Why certainly; they do the same thing at home. We should be kind to each other, and, aboveall things, be loving to relations."

"Oh, yes; blood is allways more than water."

Says the Concord *Sun*: We are pained to learn that Mr. Samuel Erwin, living near Pioneer Mills, was thrown from his mule, Monday last, and received severe injuries, from which he died in a few minutes. The mule became frightensd at a lot of boys flying a kite in the road, and threw Mr. Erwin backwards and broke his neck. He lived but a very few minutes.

SAPOLIO removes stains and grease from carpets and other woven fabrics.

There is no one article known that will do so many kinds of work, and do it as well as Sapolio. Try it.

HAND SAPOLIO a new and wonderfully effective Toilet Soap, having no equal in this country or abroad.

HAND SAPOLIO as an article of the bath, "reaches the foundation" of dirt, opens the pores and gives a healthy action and brilliant tint to the skin.

HAND SAPOLIO is without a rival in the world for curing or preventing roughness and chapping of either hands or faces.

MARKET REPORTS.—Beeves slaughtered for the week, 53; hogs, 4; sheep, 31; calves, 7.

No Mayor's Court again to-day. We are becoming good, or the police bad. We will think it is the former.

PRINCESS STREET.—The Committee met this morning to confer in relation to paving the lower part of Princess street, but adjourned without accomplishing anything.

TO MAKE room for a large Fall stock we have reduced our prices, and are now selling our entire stock cheaper than the cheapest.

HIS Honor the Mayor issued an order this morning to prevent loafers and others from congregating on the City Hall steps. The order was romptly obeyed, and the steps, for once, were clear and unobstructed.

GYNÆCOLOGICA SOCIETY OF BOSTON.—Dr. J. Francis King has recently been elected a corresponding member of this Society, and has received his certificate of membership.

This is a deservedly high compliment to a very skillful practitioner.

IT will be seen by our Church Directory that the Rev. Mr. Buist, of Cheraw, S. C., will preach to-morrow, both morning and evening, in the First Presbyterian Church. Mr. Buist comes among us to preach for the first time, and from the esteem in which he is held in our sister State, and from his well known reputation as a pulpit orator we think that he will have large and appreciative audiences.

THE TOWN CRIER.

— Hot.

— Gold is 115⅝.

— Register to-day.

— Quite sultry last night.

— Go to church to-morrow.

— Another week has flown by.

— County Auditing Committee meets to-night.

— County Commissioners meet Monday night.

— The POST has room for a few more advertisements.

— There were 458 carts in market the past week.

— See notice to consignees from the W. & W. Railroad.

— Next Thursday will be the day to vote against the amendments.

— A small increase in sickness the past week. Mostly slight billious attacks.

— The increased number of carts in the market the past few weeks, is owing to the fact that there is a great demand for melons, and a full supply.

— C. D. Myers & Co. have got up a corner on groceries. Prices down to squeezing rates. Now is a good time to lay in a supply. See advertisement.

— Lieutenant Biondi and Chief Engineer Scott, formerly of the Seward, are now on duty at Portland, Me., superintending the construction of a new revenue steamer.

— A woman with a paper bag full of eggs called at 'Squire Cassidey's office yesterday, and asked for a paper to wrap around the bag. Taking the paper in her hand, she involuntarily turned over the bag, and the eggs rolled upon the floor. The result was instantaneously perceived.

THERE is a terrible mud hole at the corner of Nutt and Front streets. We pity the people who are compelled to drive through it. As the heavy teaming mostly passes through this locality, we think it at least fair that Nutt street, about which so much has been said, be put in passable condition.

THE practice of throwing water on Front street is a very good one, but it should go a little farther. Water should be thrown on Princess, from Front to Second. Will the persons having this in charge call upon the business men, and see what arrangements can be made?

A WARNING.—A gentleman at the Sound last night tried the virtues of a new alcohol lamp connected with a coffee pot, which suddenly exploded, scattering the blazing alcohol about the room. The flames were extinguished without damage, but it is best to be very cautious in the use of such combustibles.

MORE BITES FROM DOGS.—Last night a colored woman named Wright was walking along near the corner of Third and Bladen streets, when a fierce bull dog jumped the fence and attacked her. She was terribly bitten, we understand, and but for assistance coming in answer to her shrieks for help, her wounds would have been very serious. There were two other persons bitten yesterday also. While the city is so terribly infested with sneak thieves that the keeping of watch dogs is almost a necessity, we deprecate this wholesale system of turning these fierce dogs at large in the city. There should be some regulation in regard to it.

THE following is a copy of the instructions issued to the Registrars by the County Commissioners:

WILMINGTON, N. C., Aug. 1, 1873.

To the Registrars of Election:

The Registrars at the several voting places in the county will see that separate boxes are provided on the day of election for each of eight amendments to the Constitution. A separate box for Township Trustees and Clerk. A separate box for Township Constable, and a separate box for School Committee, making, in all, eleven boxes to be provided to receive ballots, all to be properly labelled with either printed or written, designation of amendments or office to be voted for at the election to be held August 7th, 1873. Returns are to made to the Sheriff of County of the vote given on the Constitutional amendments and to the County Commissioners for votes cast for township officers.

The polls to be kept open from 8 o'clock, a. m., until 7 o'clock, p. m. All officers in charge of the polls must be sworn to a faithful performance of their duties before enterlng on the same.

LAWSON E. RICE,
County Commissioner.
JOS. C. HILL, Clerk.

The Raleigh *News* says: A couple of fine mules, attached to a wagon, were killed by lightning on Wednesday afternoon in White Oak township. The driver was badly stunned and it was some time before he could be recovered.

The Winston *Sentinel* says: George Arnold, the colored orator, will deliver a speech in Winston in a short time, on "general topics," non-political. Arnold is one of tbe best speakers and most intelligent man of his race in the State.

The Raleigh *News* says: We are sorry to relieve the young editors of the Munroe *Enterprise* of their short-lived honors as the youngest editors in the State, but the ax must fall· W. A. Davis, the editor and sole proprietor of *The Torchlight*, published at Flat River, Orange county, N. C., is only fifteen years of age. He is though, a well grown, stout young man, good looking, fond of girls, and writes a good article.

The Roanoke *News* says: "On Sunday night, 27th instant, some person called on Mr. Lewis Edwards at his residence, about eight miles from Rocky Mount, remarking that he had some papers from a gentleman for him. Mr. E. went out to the gate and the party began to look over some papers. It being too dark to see, Mr. Edwards remarked that he would get a light, and started to the house for that purpose. As soon as he passed through the gate he was struck a severe blow with an ax. The ax just missed his head, the helve striking him on the shoulder, felling him to the ground, where he was struck again in his side, breaking several ribs. His screams frightened the party off. Mr. Edwards was unable to recognize the person, but from his voice and boot track, believes it to be a negro named Jones, living near him. Jones is now under arrest. Mr. Edwards' wounds are very severe, but are not considered fatal."

The Charlotte *Observer* says: "The A. T. & O. Railroad engine "Charlotte," which was run out of Statesville Monday night by the McDowell party, was sent up the Carolina Central Railway yesterday morning before day-break, to move it beyand the reach of the Johnston party. At Tuckaseegee station it met the engine "Wilmington" which was coming down this way. The "Wilmington" was fired up and on the point of starting, when the "Charlotte" rushed up to the station. The engineer of the "Wilmington" was invited by a friend to eat breakfast at Tuckaseegee, and it was this that occasioned his delay in starting; thus avoiding a collision with the "Charlotte." The "Charlotte" went up the Carolina Central Railway without authority from the officers of that road. It was a tresspasser. Cap. V. Q. Johnston promptly ordered it off as soon as he was notified of its being on his track. The "Charlotte" returned to this city last night, in obedience to the orders of the Superintendent.

A Layman's Grace.

A young married friend tells a good joke on himself perpetrated by a little three-year-old "pride of the family." She is the only pledge of love that has twined itself around the heart and affections of himself and wife. A few evenings since a minister visited the family and remained until after tea. At the table the reverend visitor asked the blessing and the little one opened her eyes to the fullest capacity in startled wonderment. She could not understand what had been done, and it was with great persuasion that her mother could keep her quiet during the time they were at the table. When they left it she walked up to the minister, for whom she had formed a great friendship, and said:

"What did you say at the table before we commenced eating?"

"My little darling, I thanked God for his goodness in giving us to eat, so that we might grow and be strong."

"Papa don't say that."

"What does your papa say?"

"Papa says 'Godlemighty, what a supper.'"—*Lowell Courier.*

TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and forcsight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the

ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air-brake.

It is possitively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern" is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to CHARLES MCCABE, Southern Passenger Agent, near College street Depot, Nashville, Tenn., or to the undersigned.

General Ticket Agent, St. Louis.

EDITOR & PROPRIETOR.

Published every evening, except Sunday, at

The POST is designed to reach all classes of citizens, and its subscription price is therefore placed so low as to be within the reach of all. It contains the

LATEST NEWS,

up to the time of going to press,

TELEGRAPHIC,
BY MAIL,
COMMERCIAL
AND LOCAL.

It should be in the hands of every man who desires to know what has transpired during the day, and, as it aims to give

RELIABLE INTELLIGENCE,

its publisher hopes it will prove a welcome guest in many families.

THE POST

is sprightly without being sensational, and it carefully excludes all objectionable incidents and reports calculated to offend the sensibilities of the most fastidious. As an

Advertising Medium

it claims to be first class. It has a good and constantly increasing circulation, and is read by almost every business man in the city. Politically the POST is

UNSWERVINGLY REPUBLICAN.

Its editor having been a consistent member of that party since 1855, through its vicisitudes and triumphs, he claims to speak advisedly when advocating its principles. He is not, however an "extremist," and accords to others what he claims for himself, the right of free thought and of free speech.

THE ADVERTISING RATES of the POST, like its subscription price, are at liberal and at living prices, as an examination of them will show, and it bespeaks a share of public patronage.

THE EVENING POST

is closely identified with the local welfare of the Cape Fear region, and the believers in progress, whether

EDUCATIONAL,
AGRICULTURAL,
MECHANICAL, or

will find an enthusiastic ally in THE POST.

THE POST

is opposed to monopolies, but in favor of internal improvements, and a firm believer in the patronage and support of home enterprises and institutions.

We especially call the attention to the following testimonials of the Paint:

C. P. Knight, Esq.—Dear Sir: I have used Bradley's Patent Enamel Paint on my dwelling last Spring, and am much pleased with it, and it looks as well now as when first painted, and consider it a good Paint. Yours, truly,

Creswell P. O., Hartford county, Md., Feb. 6th, 1873. A. H. STRASBAUGH.

THE PLAINS, FAUQUIER CO., VA., Feb. 6th, 1873.

Mr. C. P. Knight—Sir: The Paint came safely to hand as ordered—two kegs, five gallons each, and three buckets, one gallon each. As practice was slack, I did the job myself. Two weeks, (not constant work,) completed the house two coats. The last coat I applied thick, and it is now generally conceded that for enamel-like hardness, and body, and harmony of colors, there is not a handsomer job in the place. I saved sixty-five dollars by the operation, which is an item just now with Southern people. It should be generally adopted in this State. Any country lad can apply it. I have never dabbled in such stock as testimonials, but I feel so forcibly the great adaptability of your "Enamel Paint" to the wants of our people, in excellency of material, in beauty of color, and in the fact of its being "ready mixed" that I give you free permission, (if it is desirable to you,) to make what use you think proper of this letter.

Very respectfully and truly, S. MCGILL, M. D.

TO THE PUBLIC—It affords me much pleasure to state that in July, 1871, Front Street Theatre was painted inside and out with "Bradley's Patent Enamel Paint," for which C. P. Knight, No. 93 West Lombard Street, is agent, and, to testify to its superiority over any and all other paints for similar uses. In no private dwelling can paint possibly be subjected to the very severe test it undergoes at this establishment, where, during our daily cleaning, soap and soda are constantly applied to it, and yet it appears as sound and fresh as when put on. Of the numerous advantages it possesses over other paints, I will only mention its being mixed and ready for use in quantities to suit purchasers, its quickly drying properties, which saves much time in the execution of work were paint is needed, and its very perceptible tenacity, which imparts beauty and durability to the objects on which it is used. As such I most earnestly recommend it to the merchants and tradesmen of our city, believing it will give them greater satisfaction than they can possibly anticipate. WM. E. SINN,

BALTIMORE, April 25, 1873. Front Street Theatre.

CHAMBERSBURG, December 10th, 1872.

Mr. C. P. Knight—Dear Sir:—The paints we received from you have been applied to several of our own buildings and to those of our friends, and have given entire satisfaction in covering qualities, in gloss, and in adaptability to all kinds of surface of material and we cheerfully recommend it, especially to that class of consumers who have to depend upon unknown parties, or painters to mix and furnish materials, wherein we have found the most deception. Yours, truly,

JACOB STOUFFER & SON.

FROM HON. JOHN WETHERED.

Mr. C. P. Knight:—At the recommendation of a friend, I was induced to apply your patent "Bradley's" paint to my house. I have pleasure in stating that it has proved highly satisfactory, covering more surface than you promised, is more economical, carries better gloss than ordinary paint, and is freer from disagreeable odor.

Yours, Respectfully, JOHN WETHERED.

BALTIMORE, December 27th, 1871.

C. P. Knight, Esq., Agent for Bradley's Patent Enamel Paint—Dear Sir:—The paint we purchased from you we will cheefully endorse as the best of any kind we have ever used; its covering qualities is everything desired, drying promptly and with a hard gloss which must, we think, resist the action of all kinds of weather. This is our experience, and we can recommend it with certainty, and intend to use it on all occasions where we desire a good job of work.

Very Respectfully, EMART & QUARTLEY, 270 W. Baltimore St. House, Sign and Frescoe Painters.

PLEASANTVILLE, HARTFORD CO., MD.

Mr. C. P. Knight—Dear Sir:—I am very happy to inform you that your "Patent Enamel Paint" has given entire satisfaction. I prefer it to any paint I have ever seen used, and recommend it for durability and beauty as paramount to any other.

Very Respetfully, R. DICKEY, M. D.

C. P. KNIGHT, Sole Agent, No. 93 W. Lombard Street, Baltimore.

NOTICES OF THE PRESS.

The ever-increasing circulation of this excellent monthly, proves its continued adaptation to popular desires and needs.—Indeed, when we think into how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind, for its vast popularity has been won by no appeal to stupid prejudices or depraved tastes.—*Boston Globe.*

The character which this Magazine possesses for variety, enterprise, artistic wealth, and literary culture that has kept pace with, if it has not led the times, should cause its conductors to regard it with justifiable complacency. It also entitles them to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of its life.—*Brooklyn Eagle.*

THE NEW YORK WEEKLY TIMES

Will contain Selected Editorials from the Daily Times; General News, Domestic and Foreign; The Proceedings of Congress and the State Legislatures; Full and Interesting Correspondence; Book Reviews; The Choicest Literary Selections; while its most prominent feature will be a COMPLETE AGRICULTURAL DEPARTMENT, with original articles from practical farmers; full reports of the American Institute Farmers' Club; complete weekly market reports; financial, domestic produce, live stock, dry goods and general.

AS A FAMILY PAPER,

The TIMES will have no superior; it will be free from all appeals to vulgar and impure tastes, and may be safely admitted to every domestic circle.

AS A REPUBLICAN JOURNAL,

The TIMES will be devoted, as in the past, to an intelligent and firm support of the Republican Party. Its course in reference to the Tammany King, at a time when all the other daily papers in New York obstructed and discouraged its efforts, attests its sincerity in the cause of Reform. The TIMES stood alone in demanding Reform from 1869 to the close of 1871, and there is no sincere and honest proposal for Reform, in any branch of the Government, which will not be heartily supported by the TIMES. But it will not conspire in assisting ambitious politicians or demagogues to reach power under false pretenses. It will not encourage defection from the Republican Party, which is still the party of progress, security and national prosperity.

It will sustain, with all the force and influence at its command, the principles and policy which have rendered that party so justly famous in our history. It will advocate those measures by which the honor, the peace, and the prosperity of the nation can be best secured and promoted, and will constantly study the wants of the people rather than the wishes of the politicians.

THE NEW YORK SEMI-WEEKLY TIMES

Is published every Tuesday and Friday, and contains all the agricultural and literary matter of the Weekly edition, and a full and careful compilation of editorial and news features of the Daily.

Terms of the Semi-Weekly TIMES: One copy, one year, $3; two copies, one year, $5; ten copies, one year, $25—and one extra copy free.

Subscripttons to either of our editions received for a less length of time than one year at yearly rate.

These prices are invariable. Remit in drafts on New York or Post-office Money Orders, if possible, and where neither of these can be procured, send the money in a registered letter. All Post-masters are obliged to register letters when requested to do so, and the system is an absolute protection against losses by mail. Address
